CARDATA DIGITAL Limited, registered in Dublin under number 732604, having its registered office at 77, Lower Camden Street, DUBLIN, Ireland, D02 XE80

N° TVA : IE4102795BH – contact@verif-auto.com

In accordance with Regulation 2016/679 of 27 April 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data, VERIF-AUTO implements the processing of personal data for the purpose of performing the Services.

VERIF-AUTO undertakes to collect only personal data that is adequate, relevant and limited to what is necessary for the purposes for which it is processed.

No personal data considered sensitive, such as racial or ethnic origin, political, philosophical or religious opinions, may be requested or collected from the Customer.

The Client is informed that the personal data collected is necessary for the performance of the Services.

VERIF-AUTO is therefore required to collect personal data relating to the Client or to persons acting on behalf of the Client. The latter is informed of the following elements:

- The data controller is the Director;
- The purpose of the data processing is the execution of the Customer's order, as well as the keeping of statistics and the implementation of commercial

offers by e-mail;

- The personal data collected only concern the surname, first name, telephone number, e-mail address, IP address, postal address, as well as the data of the vehicle which is the subject of the Services
- The recipients of personal data are the controller, its marketing departments, IT security departments and any authority legally entitled to access the personal data in question;
- The Customer is informed that no transfer of personal data outside the European Union is planned;
- Personal data is only kept for three years, except for data that is only kept for the duration of the legal limitation periods, in particular for contractual documents and accounting records;
- The data subject shall have the right to request from the controller access to personal data, rectification or erasure of personal data, or a restriction of the processing relating to the data subject, the right to object to the processing and the right to portability of data;
- The data subject has the right to lodge a complaint with the Commission Nationale de l'Informatique et des Libertés.

It is the Customer's responsibility to take all appropriate measures to protect their own data and/or software from contamination by any viruses circulating on the Internet. The Customer is informed that no security measure is infallible and that VERIF-AUTO cannot guarantee absolute security for the personal data collected.
